

## WHAT OUR PARENTS SAY

*“Catholic school teaches you how to care for others; you get an all-around education, it’s not just academics. And it gives you that solid foundation.”*

St. Francis Xavier School, The Bronx

*“When you invest in a Catholic education, you can trust your child will be supported and loved; everyone in the school cares about my child.”*

St. Denis-St. Columba School, Hopewell Junction

*“We’re trying to do our best for our family – giving them opportunities we didn’t have. Sending our kids to Catholic school is the best investment we have made.”*

Immaculate Conception School, The Bronx

*“It all starts with the right foundations – the pillars are established: what we believe is right, how to conduct yourself, how to be respectful, these things are instilled in children from the start. These align with our values.”*

Guardian Angel School, Manhattan

## WHAT OUR PARENTS SAY

### What Do You Love About Catholic School?

*"My Children will still be going to Catholic school because of the better education they received, and I know for sure [the] Archdiocese will do the best to protect my children."*

*"When you send your children to Catholic school you are sending them for the community."*

*"My children love their school. It is like family to us. They love their teachers. The teachers are the backbone of the school."*

*"...the school has been amazing helping and educating my children. Every day they were engaged and learning. I'm so grateful for the stability they provided for my children."*

*"I'm investing in Catholic education. It's an investment for my children and their future, and I'm happy they're in Catholic school."*

Immaculate Conception School, Tuckahoe

*"It's worth its weight in gold — the environment, the education and the safety provided — for parents, it's worth that money."*

Our Lady Queen of Peace School, Staten Island

### How Do You Feel About Remote Learning?

*"I really thought the quality of work and teaching was fantastic. I have relatives who attend the local public schools and I felt the public school significantly dropped the ball with online learning."*

*"For Pre-K 3, the music and gym classes were highlights of the week. At the younger level, I found that the physical movement led to calmer engaging online learning."*

*"Our school has handled distance learning well, and my child still feels connected to his classroom. He's made growth despite not being in a physical classroom."*

*"I think the teachers were the highlights and stars of the pandemic. Keeping our kids engaged and learning. I can't say enough good stuff about our principal and teachers. They are heroes."*
